IV. Read about Jake returning to his hometown after being abroad for ten years. Then write T (true) or F (false) to the statements in the table.

I have returned to my hometown of Wilson Creek after an absence of 10 years. So many things have changed around here. When I left Wilson Creek, there was a small pond on the right as you left town. They have filled in this pond and they have built a large shopping mall there. A new post office has also been built just across from my old school.

There is a baseball stadium on the outskirts of Wilson Creek which has been changed completely. They have now added a new stand where probably a few thousand people could sit. It looks really great.

The biggest changes have taken place in the downtown area. They have pedestrianised the centre and you can't drive there anymore. A European-style fountain has been built and some benches have also been added along with a grassy area and a new street cafe.

My street looks just the same as it always has but a public library has been built in the next street along. There used to be a great park there but they have cut down all the trees which is a pity. The library now has a large green area in front of it but it's not the same as when the park was there.

Another improvement is the number of new restaurants that have opened in Wilson Creek. A Chinese and an Italian restaurant have opened in the town centre and a Mexican restaurant has opened near my home. Which is where I am going tonight!

1. Jake's school doesn't exist anymore.
2. They have improved the baseball stadium.
3. Jake likes the new-look baseball stadium.
4. It's only possible to reach the downtown area on foot.
5. The buildings in the centre of the town look European.
6. Jake's street hasn't changed much.
7. He is sad about the park being ruined.
8. Jake is going to eat Italian food tonight.

Write the correct letters into the table.

1 José has just started college. He needs a good café near campus where he can hang out with his friends. He'll be spending a lot of time in the library, so he wants a café with a nice terrace. It must be inexpensive and serve great sandwiches.

2 Kasia is 14. On Saturdays, she has to wait an hour for a train home after her violin lesson. She wants to spend that time in a quiet café close to the station where she can read her book while enjoying tea and delicious cake.

3 Karl and Omar are best friends. They're trying to find a new café that they can go to after school every day. They want a place with a good atmosphere. They both enjoy loud music! They also like cheap fast-food.

4 Fernando is a fan of healthy food. He doesn't eat meat, and doesn't mind paying a little more for organic fruit and vegetables. He wants to find an independent café near the beach. He doesn't like restaurant chains.

5 Linda and Amelia are cousins. They're looking for a great café where they can meet every Sunday for a chat. They love to eat sweet things! Linda and Amelia are both very stylish, so they want a place that's really cool.

OUR TOP CAFÉS

A Luigi's

Open Monday to Friday, Luigi's is popular with people who work in the city because it's close to the train station. It can be noisy, but it's very friendly and the service is quick. Visit Luigi's if you want to try their homemade pies and excellent hot drinks.

B Burger Basement

Although it's in a basement, this brilliant café is bright and exciting. Lights of many different colours hang from the ceiling, and everyone sings along with the pop and rock songs. It's not a quiet place, but it's fun. You won't believe the low cost of the chips and burgers!

C Pancake Paradise

The latest café in town is Pancake Paradise, and everyone is talking about it. This is where all the fashionable people like to be seen, and to see each other. Enjoy the original art on the walls while you wait for your tasty pile of pancakes served with ice cream or honey.

D Sunshine Café

This is a wonderful new café which, so far, is very popular with young people. It's just a short walk from the college and offers a wide choice of soups and sandwiches at very reasonable prices. The best thing about the Sunshine Café is its outdoor seating area. Here you can have some fun in the sun.

E Green Dreams

Everything served in this busy seaside café is vegetarian and all natural. Try the carrot and spinach juice with one of the amazing salads. The prices are high, but definitely worth it. Green Dreams is owned and run by a local family who make everything fresh daily.

F Tilly's Tea-Shop

This is the perfect place to get away from the noise of the city. It's conveniently located between the museum and the railway station, and serves the best baked goods in town. They play gentle classical music there. You can choose from 20 types of tea and relax.
